FOR IMMEDIATE RELEASE

THERAPEUTIC HORSEBACK RIDING ORGANIZATION SEEKS VOLUNTEERS FOR
NEW CERRITOS LOCATION

CERRITOS, Calif. – In order to continue providing exceptional service to students, Ride Your Horse! is in need of committed volunteers. Participants will be involved in leading horses, side-walking, helping to keep the stalls in suitable condition. Volunteers are needed to assist the disabled with weekly one-hour lessons.

Ride Your Horse! provides equine-assisted therapy to individuals with disabilities and encourages self growth through physical, cognitive, social, emotional and educational benefits. A horse's gait, similar to human walk, also helps the disabled strengthen core muscles. Students gain self-confidence through riding.

Potential volunteers and the entire nation alike will have a chance to learn more about Ride Your Horse! by watching Animal Planet's *Pet Finders* on March 31, 2008 at 8:00 p.m. Detailed training will be provided at a volunteer orientation to be held on Saturday April 5, 2008 from 10:00 a.m. – 1:00 p.m.

-more-

High school students who attend the volunteer orientation will earn three community service hours.
